

A” Support Finnish know-how – invest in Aalto!

Aalto University is the collective endeavor of all of Finland. Funding for the university consists of state grants and the profit generated by the University’s foundation capital. The foundation capital is made up of the share invested by the government and donations from private parties, businesses and foundations. The profit from the foundation capital is used to establish new fields of science and thereby serves to benefit your company.

Support Finnish know-how. A corporate donation of at least €850 to Aalto University is tax-deductible up to €250,000. In addition, the Government of Finland will donate 2.5 times the amount of your donation to Aalto University’s foundation capital, provided that your donation is made no later than June 30, 2011.

€100 Donors’ Wall

Make a lasting impression on the foundation of Aalto University. All benefactors who donate at least EUR 100 during the *foundation phase* will have their name inscribed in the wave-like Aalto Builders donors’ wall that will be erected on the university campus.

All Aalto University supporters are invited to join the Donors’ Club. The names of club members are published on the university’s website, among other places.

Don’t forget that Aalto University will acknowledge your company based on the total amount of all of the donations made through the years.

€3,000 Donors’ Lounge

Your own lounge at Aalto University? All benefactors who have donated at least EUR 3,000 will be granted permanent access to a lounge specially reserved for supporters of Aalto University. You can hang out in the Donors’ Lounge whenever you want – alone or with your friends. You can also reserve the lounge for private events, such as a night out!

€10,000 Donors’ Circle

As a member of the Donors’ Circle you will receive a VIP invitation to a donors’ banquet and events themed around Aalto University’s focal areas. In addition, you will naturally receive all of the above-mentioned benefits.

€50,000 Factory Networks

You hold the right of first refusal to the Design, Media or Service Factory, in which the problems your company faces are solved, or new technology, media or services are developed for your company.

€100,000 Dean’s Circle

Dedicated stakeholder group networks for Aalto University’s schools and multidisciplinary focal areas will be formed, offering you interesting events to take part in and a forum for exchanging thoughts with future notables. You will also be offered an unprecedented opportunity to present your own perspective on the development plans concerning the focal areas.

€1,000,000 President’s Circle and endowed professorship

The President’s Circle is Aalto University’s key stakeholder network, with which the President mirrors the plans that concern the university’s development. You can also share your thoughts with world-class researchers, corporate leaders and other fascinating social opinion leaders who visit the university. On the basis of the donation, you can name a professorship for the scientific field of your choosing.
