Traffic connections

By Metro

From Helsinki, the best way to get to AMI Centre is to use the Metro. There are two exits from the Metro station. Use the Otaniementie exit for shorter route to reach AMI Centre.

By bus or light rail line 15

Besides the Metro, the light rail line 15 and some busses are going through Otaniemi.

If you are using the public transportation, you can use [Helsinki region Journey Planner](#).

By car

There are quite many parking lots in Otaniemi. Most of the lots are for staff members only and all other parking lots are subject to a fee. We recommend Otaparkki parking garage.
