

Arrival at Aalto University – incoming exchange students

Checklist 1: Planning your arrival

Read Letter of Admission email and attachments

Check when the orientation starts for your school and prepare your travel arrangements accordingly

If you are a

non-EU/EEA citizen, apply for residence permit or mobility notification

EU/EEA citizen, plan whether you want to register your right of residence or if you will travel outside of Finland (non-stop stay lasting under 90 days each time)

Nordic citizen and staying over 6 months, plan to register at DVV

Obtain insurance from your home country that covers health care during your exchange

Apply for housing with Hoas and actively search for alternative options

Check your inbox for email from your student tutors

Read through all instructions for studies sent to you by your exchange coordinator at Aalto University

Plan your financial arrangements during exchange
