

**Study in the leading
business school in Finland**

Launch your career in business and economics

We're looking for the next generation of creative leaders

Education should push you outside of your comfort zone, fostering a deep understanding of modern societal challenges. We want our students to see beyond sectors, so that innovative solutions to complex issues become easily accessible.

Through a better understanding of business, we can create better societies.

We are a forerunner in tackling business issues with multidisciplinary approaches, offering Bachelor's, Master's, and Doctoral programmes with international reach. Bachelor's students get an added bonus, receiving a guaranteed study right in one of our Master's programmes.

Our students gain not only respected degrees but also important skills, opening doors to impactful career opportunities and forming valuable networks.
