Finding employment in Finland

Aila Saloranta

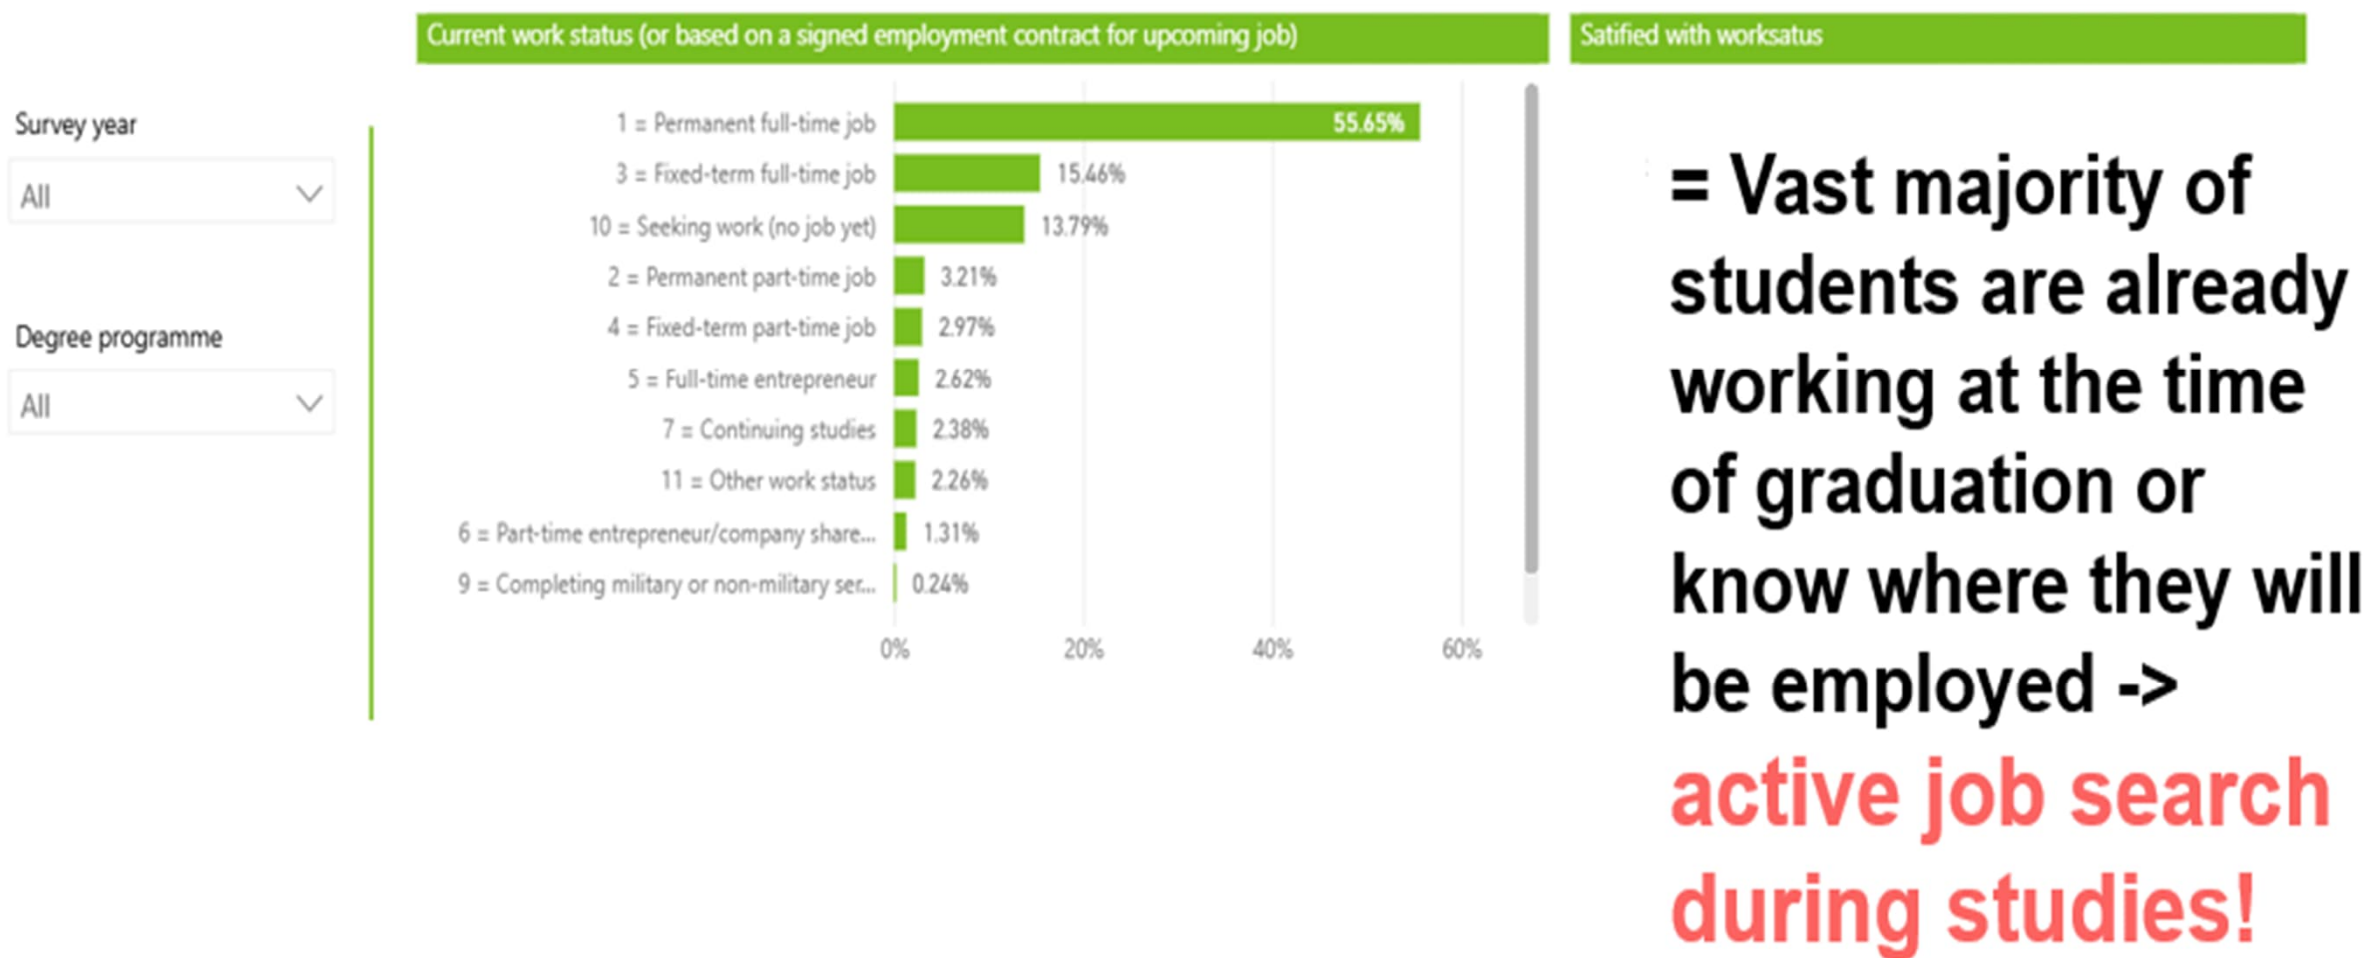

TEK graduate survey

Employment: Choose a statement from the dropdown list below

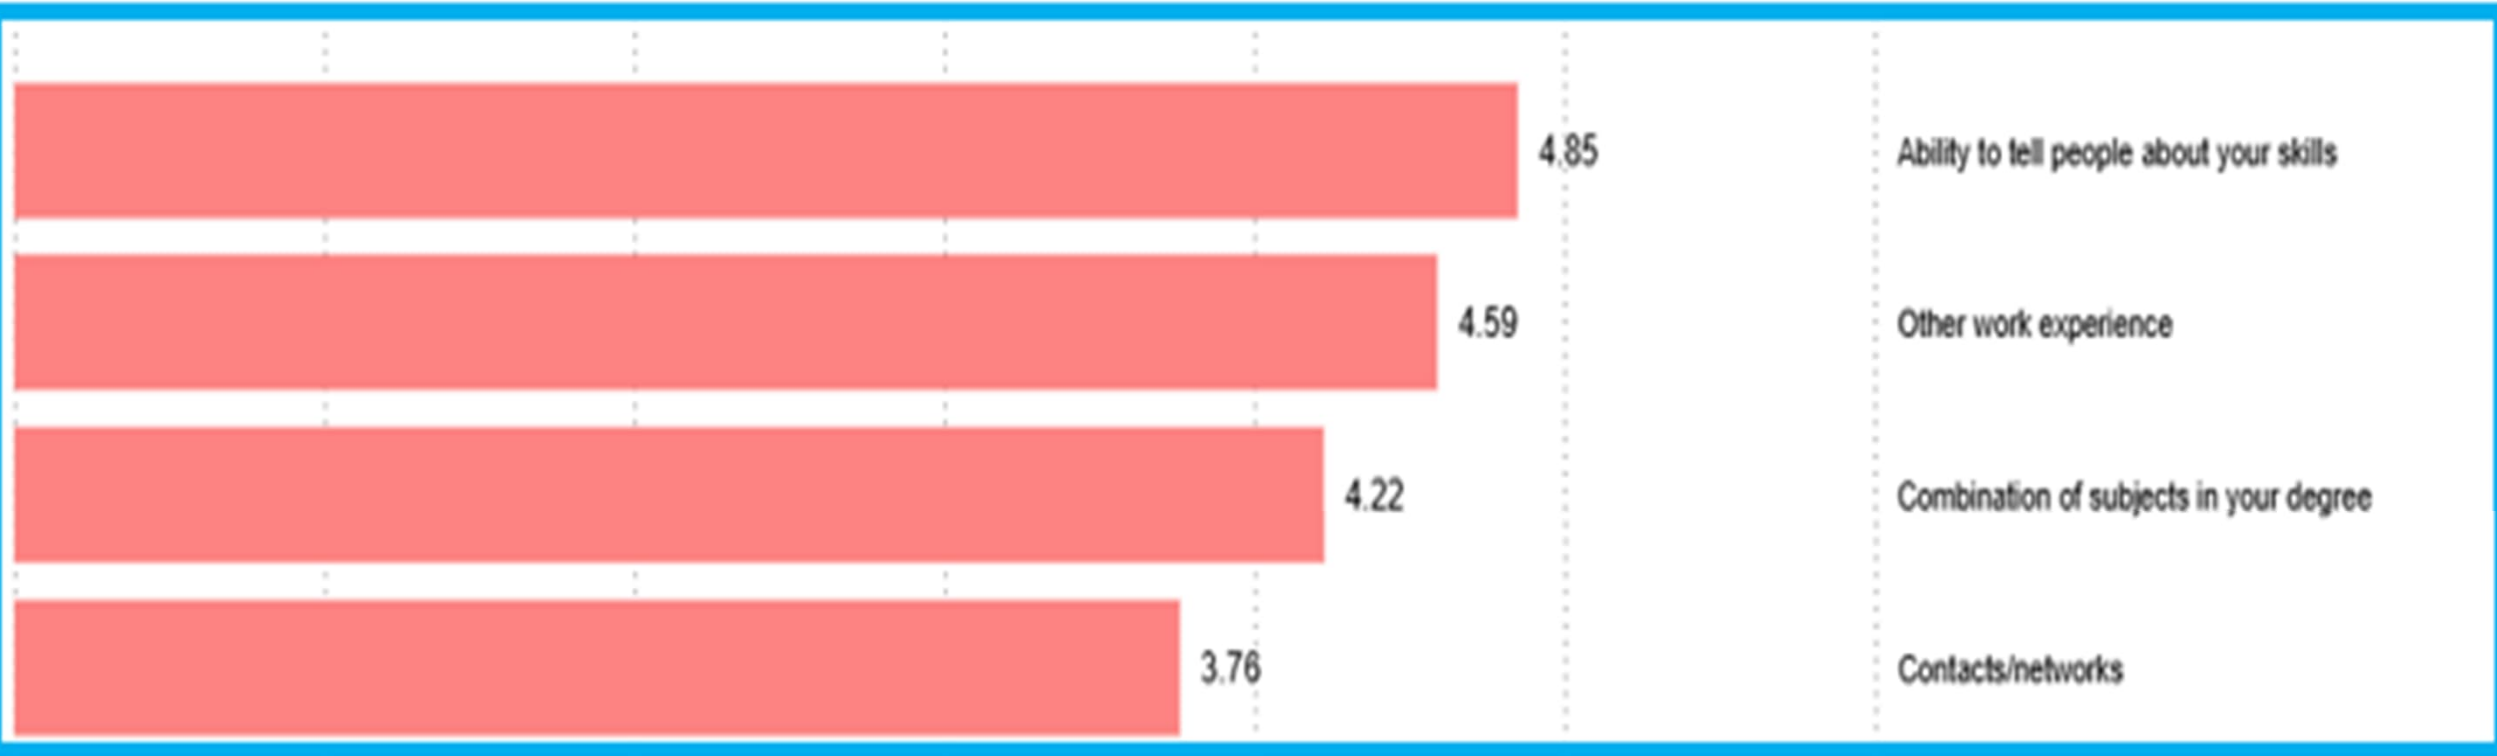

Describe your job situation at the time of graduation.

THE FINNISH BUSINESS SCHOOL GRADUATES GRADUATE SURVEY, WORK SITUATION AT THE TIME OF GRADUATION

Factors affecting employment

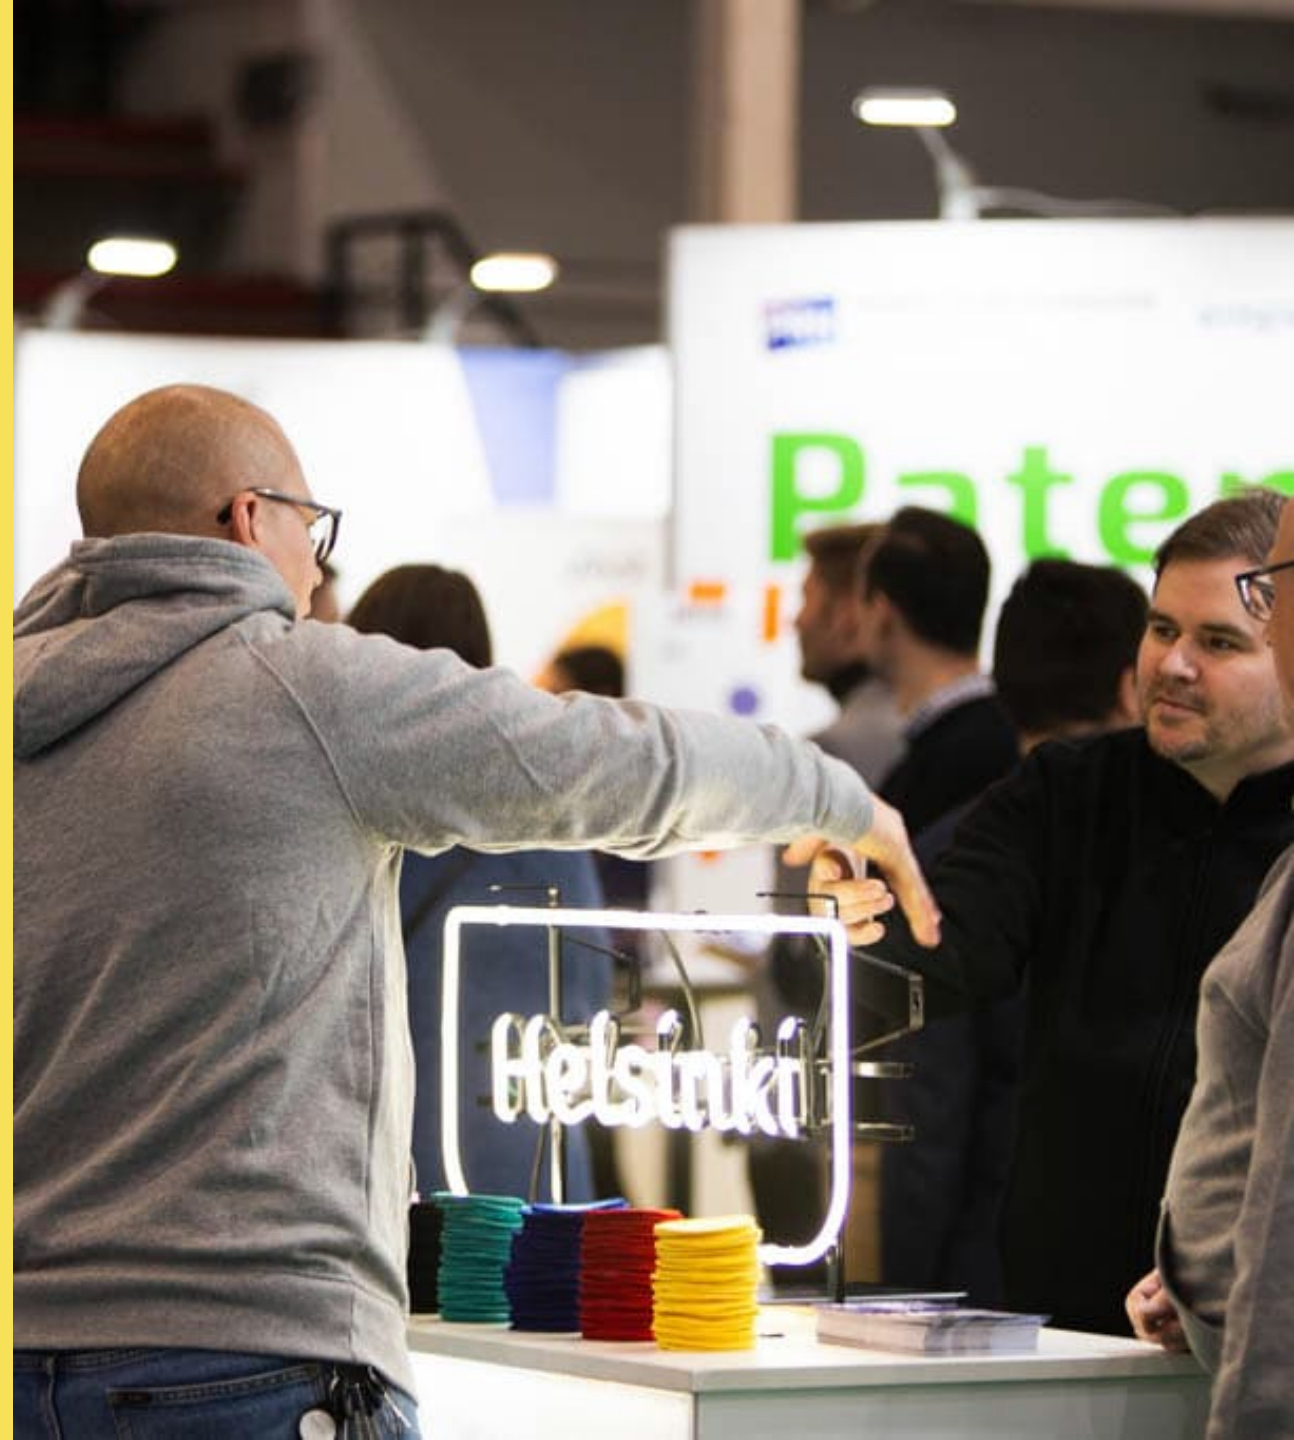

**Master's degree career monitoring
five years after graduation**

Employment in Finland

- Some **work experience** expected
- **Networking** is important – companies expect **proactivity**
- Learn to pitch – a degree itself is not enough, you need to know **how to tell about your skills and motivation**
