The background of the slide is a photograph of a large crowd of people, likely at a parade or festival, with many colorful balloons. A semi-transparent rainbow is overlaid on the image, creating a vibrant, multi-colored background. The text is positioned on the left side of the slide, with the word 'Mission' at the top and the main statement below it. The 'KY 1911' logo is in the bottom left corner.

Mission

**KY exists only for and
because of our
members.**

KY 1911

A background image showing two young women in graduation gowns celebrating. They are holding diplomas and looking at a smartphone. The scene is filled with colorful confetti. The text 'Vision One KY. There for every kylteri.' is overlaid on the image.

Vision
One KY. There for
every kylteri.

KY's Code of Conduct

Can be found on our website: <https://www.ky.fi/about-ky/code-of-conduct>

Code of Conduct: basics

- At KY, we want everyone to feel welcome, safe and respected at all times
 - KY welcomes everyone regardless of gender, age, sexual orientation, disability, physical appearance, body size, race, ethnicity, religion...
- There is zero tolerance for harassment, discrimination or other harmful behavior
 - Examples of harassment may include for example making sexual comments about appearance, unwelcome touching, inappropriate sexual gestures, or sending suggestive communications in any format
 - Inappropriate behavior includes all kinds of violence, alcohol-related misbehavior, violations of privacy etc.
 - Using illegal drugs is strictly forbidden
- Violations of the Code of Conduct may lead to actions such as an official warning, volunteering ban or termination of KY membership
 - Reported violations are handled by KY's Executive Director or President of KY
 - KY promotes a culture of learning from mistakes - the goal of these sanctions is to give feedback on misbehavior and protect our members

Code of Conduct: how to act

- When you see/suspect any misconduct during an event...
 - **Take action.** If you feel comfortable, check in with the person involved or ask a friend or the event organizer to support you. A simple “Are you okay?” can mean a lot.
 - **Contact event organizers or Aada/ Villma.** Tell the designated harassment contact person or anyone in charge of the event about what is happening, or what you have observed. After the event, the Executive Director and the President of KY will look into what has happened, hear all relevant parties and decide on the measures to go forward.
 - **Call 112 in case of emergency.** If you see any crime or serious threat, contact emergency services. Follow the situation, but remember to take care of your own safety, too.
