

Master's Programme in Global Management

Global. Prestigious.
Engaging.

A''
Aalto University
School of Business

CEMS

The Master's Programme in Global Management/CEMS helps you become an agile, reflective and responsible decision-maker in a rapidly transforming global business environment. Teaching is based on cutting-edge academic knowledge and practical real-life cases.

The programme offers the students two highly prestigious qualifications: MSc in Economics and Business Administration granted by Aalto University School of Business and CEMS Master's in International Management (MIM) granted by CEMS, the Global Alliance in Management Education.

You will get

- Intercultural study experience in a multidisciplinary setting
- World-class education and two prestigious academic certificates
- Practical skills and real-life context through intensive corporate collaboration
- Knowledge and skills to become a responsible global leader
- Life-long membership in the CEMS network of students and professionals
- Excellent career prospects

"I was inspired by the strong relations to the corporate world. Getting to know companies helped me figuring out what I wanted to do in my career."

Tiina Alahuhta-Kasko

CEMS Alumna, President & CEO of Marimekko

Join the future generation of global business leaders

Global Management/CEMS curriculum focuses on ways to identify and harness opportunities and solve challenges in a rapidly transforming global business environment. We promote global citizenship by educating responsible leaders for a more open, sustainable and inclusive world.

Aalto University School of Business is one of the leading business schools in Europe and among the 0.5% of business schools worldwide with labels of excellence from the world's leading accreditation bodies. The school educates experts and leaders for the future. Aalto University is a multidisciplinary community where science and art meet technology and business.
