Bachelor feedback 2015

School	Year	I feel comfortable at university	I am satisfied with my course/studies	The skills I acquired in my education meet my expectations	My education meets the set goals	The teaching was to a large extent of good quality.	I am satisfied with the teaching methods used	There was sufficient support for the Bachelor's thesis or final exam	There was sufficient information and support on different aspects of the organisation of your studies?	How easy it was to find where to go for help?	If needed, I always know who I can turn to for help	I was satisfied with the opportunities and influence I had to participate in my programme	I was satisfied with the communication I had with the teaching staff	The feedback I received from the teaching staff has helped me with my studies
