

Welcome to study Master's Programme in Interior Architecture!

We warmly welcome you to study at the Master's Programme in Interior Architecture at Aalto University School of Art, Design and Architecture!

We are excited to start next year with our excellent new group of students. We want to offer our students a high-quality learning environment, and a degree from Master's Programme in Interior Architecture gives you valuable competitive edge in the job market, both in Finland and abroad.

The academic year begins with ARTS orientation in the second week of September. During the orientation, you will learn about the practicalities and get to know the variety of study and leisure related opportunities you have as a student at Aalto University. You will also meet your new fellow students and staff of your own department who will guide you with planning your studies. Lectures will start on Monday 13th of September.

Expect more detailed information about starting your studies and the orientation schedule via email during the summer. You can see our programme pages here: <https://into.aalto.fi/display/eninterm>

Looking forward to meeting you this fall!

Sincerely,

Pentti Kareoja
Dr. Professor, Head of Interior Architecture Programme
