

7.4.2021

Welcome to the Master's Programme in Visual Communication Design!

We warmly welcome you to study at the Master's Programme in Visual Communication Design (which we fondly call VCD) at Aalto University School of Arts, Design and Architecture.

We are happy and excited to start the upcoming academic year with you along with the whole excellent group of new students. We want to offer you an inspiring learning environment, a supportive community of fellow designers, and tools to develop your skills and knowledge in the best possible way.

Our VCD programme is particularly intent on supporting you in developing your own design practice into the direction most relevant for you right now. We offer platforms for discussing, making, experimenting, and sharing, which will all help you in finding the right context for your work.

The academic year begins with ARTS orientation on the week 36 in September. During the orientation, you will learn about the practicalities and get to know the variety of study and leisure related opportunities you have as a student at Aalto University. You will also meet your new fellow students and the staff of your own department, who will guide you in planning your studies. Our courses will start after the orientation.

Expect more detailed information on starting your studies and the orientation schedule by email during the summer. You can find the VCD curriculum here: <https://into.aalto.fi/display/envcdm/Visual+Communication+Design>

Looking forward to you joining the programme!
Sincerely,

Arja Karhumaa
Assistant Professor, Head of Programme
Visual Communication Design
