

April 2022

Welcome to the Master's Programme in Design, major in Collaborative and Industrial Design at the Department of Design

On behalf of the major, I'm happy to warmly welcome you to study in Collaborative and Industrial Design (CoID) at Aalto University School of Arts, Design and Architecture!

We are excited to start the next academic year with our new group of students. We want to offer you an inspiring learning environment, a supportive community of fellow students and professionals, and tools to develop your skills and knowledge in the best possible way. Studies at Aalto University also provide excellent opportunities for networking both nationally and internationally.

The academic year begins with ARTS orientation on Monday 29th of August 2022. During the orientation, you will learn about the practicalities and get to know the variety of study and leisure related opportunities you have as a student at Aalto University. You will also meet with your new fellow students, faculty and staff of the Department of Design who will help guide you in planning your studies.

Your first mandatory course is "INTRO", which will start on Tuesday 30th August 2022.

More detailed information regarding the commencement of your studies and the orientation schedule will be sent by email during the summer period.

Looking forward to meeting you this coming autumn!

Sincerely,

Severi Uusitalo

Associate Professor

Director of Collaborative and Industrial Design (CoID)
