

# Transferring of the study right to new major and study programme according to 2022 education portfolio renewal

As of 1 August 2022, the School of Arts, Design and Architecture will have a revised education portfolio. You can complete your studies with the old degree requirements or apply for the transfer to the study programme. More information about the renewal and transition paths can be found on this page: <https://www.aalto.fi/en/services/students-aalto-arts-education-portfolio-to-be-renewed>

You can apply for transfer with this form. Once your application has been processed, a change in your study right will be applied directly on to the information system Sisu. No other notice will be sent but you can check your study right transfer on Sisu.

Please return the completed form by email: [studentservices@aalto.fi](mailto:studentservices@aalto.fi) or by mail to address: Aalto University, Registry, P.O. Box 11000, 00076 AALTO.

I am applying for a transfer to a new study programme and major
