

Instructions for electronic poster exhibition

The poster exhibition consists of electronic posters. The e-Posters will be presented on ten TV screens equipped with the laptop during the BIWIC 2022 program. The list of poster contributions and TV screen number will be delivered to the participants. The presenters can freely introduce their posters during the coffee and lunch breaks.

Contents

The title, authors' names and affiliations are to be indicated on the top section of the e-Poster. Please use the contents of introduction, results and conclusions in your e-Poster. A photo of poster presenter is recommended.

Format recommendation

- Please use the PowerPoint **e-Poster template pptx file**. You can freely alter the layout format, but please follow the instructions below on font size, graph size, linespacing, etc.
- Size: width 120 cm × height 67.5 cm (55-inch screen, **Aspect ratio 16:9**), **horizontal orientation**.
- Font size of 72 for the title in the heading label (Font height is about 3 cm.).
- Font size of 44 for section headings, such as introduction, results (Font height is about 1.5 cm.).
- Font size of 32 for main text (Font height is about 0.8 cm.).
- 15 cm for graphs size.
- Minimum line spacing: 1 cm.

Please use colours, symbols, and schemes for improved clarity.

Submission

Please submit your posters as **JPEG file only**. The recommended resolution is **3840 × 2160**. FHD (1920 × 1080) is also acceptable.

The deadline of e-Poster submission is **21 August 2022** at the latest.
