

Instructions for using the MyCourses Pre-Orientation course page

The Aalto IT account credentials are used to login to all Aalto services. You should have received a link for activating your account with your internet bank identifiers or with an electronic ID (HST) card. If you have not received a message about activating the account, please contact bscba-mikkeli@aalto.fi.

Instructions on what to do after logging in to MyCourses:

Please start by scrolling down the Welcome page of the Pre-Orientation course to choose the program and language. **It is important you choose the right program** before starting with the orientation. The materials are designed for the BScBA students specifically, as some practices are different for the Otaniemi campus students due to the specific nature of the Mikkeli BScBA Program.

Start here

Please choose the programme you have been accepted to from below. NB! Be sure to save your selection using the selection button at the bottom of the page. At this point, MyCourses asks you to enrol yourself into Pre-Orientation workspace.
