

URBAN GOODCAMP

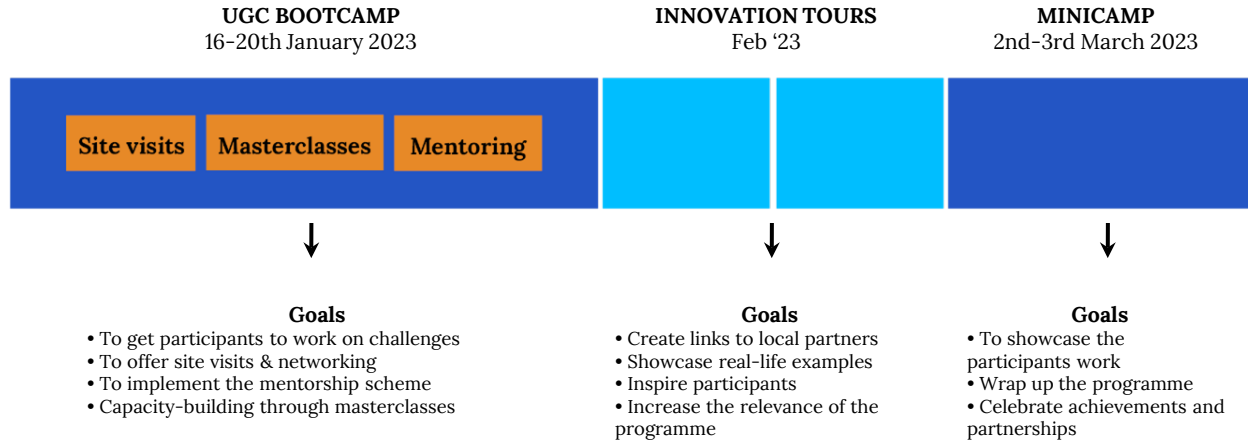

What is Urban GoodCamp?

Pilot and Implementation Work Package - Aalto University

Programme Implementation

Timeline 2023

UGC Bootcamp

In the UCAMP Bootcamp participants work on the local partner's chosen challenges, create partnerships, develop solutions, and explore urban good practices.

Types of sessions to be offered:

Masterclasses

To enhance participants' knowledge on the given challenges

Co-working sessions

To work on the assigned challenges

Mentoring sessions

To make sure groups are on the right track

Networking moments

For participants to get to know each other

Site visits

To get to know local experts on the topic

Company Challenges

What are they about?

- Students work on a **narrowed-down issue to tackle** during the programme.
- Students can state their preferred challenge to work on during the project weeks
- Students work in multidisciplinary groups to solve this challenge
- They get support and information from the company and/or mentors
