

Space 21 in a nutshell

Cluster of rough, free project spaces to encourage experimenting and creative collaboration

Sandbox for experimental ideas providing a safe environment to try, fail, learn and try again

For all Aalto community. Free to use for everyone in Aalto, from students to staff and faculty

Facilitating all kinds of project: prototypes, pilots, events, exhibitions, workshops, teaching and much more

Space 21 offers

➔ **Flexible access for users** also outside regular working hours, about 7-24.

➔ **Chance to make your own space.** All spaces can be modified to serve each user's needs.

➔ **Tools for experimenting.** Some basic tools in shared use, and more is to come.

➔ **Best coffee on campus.** Humbly self-declared, but we dare you to come and try it out!
