How to apply

Master’s programme of Life Science Technologies

Susanna Ylhävuori, Planning Officer (SCI & ELEC majors)
Anna Mäkilä, Planning officer (CHEM major)

10.1.2022
How to apply

• Students choose their master’s programme and major by including their choice in the graduation application in Sisu.
How to apply

• Students who have completed the degree of Bachelor of Science in Technology in Aalto University School of CHEM, ELEC, ENG or SCI:

• **Depending on the major of the BSc degree,** students can continue their studies in LifeTech either
  • **directly**
    • e.g., major Bioinformation technology
  • **by completing the minor Bioinformation technology in their BSc degree**
    • Note that some majors require certain courses to be taken in the minor!
    • Minor Bioinformation technology is offered in Finnish and English.
  • **by completing your BSc degree including some required courses**

• **The major specific requirements can be found in the Student Guide (link to aalto.fi)**
How to apply

- **Note!** All the compulsory courses of the minor Bioinformation technology are taught in spring.
  - See the content and structure of the minor: [Bioinformation technology (link to aalto.fi)](link to aalto.fi)
Thank you!
