Application Questions

* Indicates a required field

In which country is your current university located? *

What is your study major? * If you do not have an 'official' major just write one or two descriptive words.

What is your minor subject (if selected) ?

My number 1 project preference (write the number here): *

Write the 4 digit project code. Do **NOT** write anything else.

My number 2 project preference (write the number here):
