

Welcome to the Creative Sustainability Master's Programme at the Department of Design.

We warmly welcome you to study at the Master's Programme in Creative Sustainability at Aalto University, School of Arts, Design and Architecture!

We are excited to start the next academic year with our excellent new group of students. We want to offer you an inspiring learning environment, a supportive community of fellow students and professionals, and tools to develop your skills and knowledge in the best possible way. Studies at Aalto University also provide excellent opportunities for networking both nationally and internationally.

The academic year begins with ARTS orientation week, **28 August - 1 September 2023**. During the orientation, you will learn about the practicalities and get to know the variety of study and leisure related opportunities you have as a student at Aalto University. You will also meet with your new fellow students, faculty and staff of the Department of Design who will help guide you in planning your studies.

Your first mandatory course is the **"INTRO"**, which will start in the morning of **Tue 29 August 2023**. This course is arranged by the Department of Design and will start during the orientation week. The detailed information of the course will be informed later.

Creative Sustainability Kick-off Day will be held in the afternoon of the same day **Tue 29 August 2023 for 14:00-18:00**. You will meet all the new Creative Sustainability students from all the three schools! The detailed programme of the event will be informed later.

Your Creative Sustainability studies will commence on Monday 4 September 2023.

More detailed information regarding the commencement of your studies and the orientation schedule will be sent by email during the summer period.

Looking forward to meeting you this coming autumn!

Sincerely,

Mikko Jalas
Director of the Creative Sustainability Programme
