

Doctoral student (full name)	Student number	Doctoral programme
Supervising professor		Co-supervisor (if appointed)
Thesis advisor(s)		
Title of the doctoral thesis manuscript (in the language of the thesis) which the student is presenting for examination:		

**SUPERVISING PROFESSOR FILLS IN**

I hereby propose that above-named manuscript be accepted for pre-examination.

- I confirm that the thesis fulfils the format and quality requirements and is ready for pre-examination.
- Neither the supervising professor, thesis advisor(s), co-supervisor nor the doctoral student has such publications, collaboration or other connections with the proposed examiners as would prevent them from serving as pre-examiners of the manuscript.\*
- I have used the Turnitin originality report, as recommended, in my evaluation of the unpublished parts of the thesis in order to detect possible plagiarism. ID of the Turnitin report: \_\_\_\_\_
- The language of the manuscript meets the requirements of a scientific text in the research field.

\* If necessary, the supervising professor must contact the involved parties and ask if the above mentioned is true.

I hereby propose that the following person(s) act as pre-examiners:

	Pre-examiner 1	Pre-examiner 2
Name		
Academic degree and title/position		
Organisations / affiliations		
Email address		
Link(s) to CV and publication list (or attached as PDFs)		

- The pre-examiner(s)' CV(s) and/or publication list(s) are attached or given as links above.
- Grounds for proposing the above pre-examiners are attached (not required in CHEM or SCI).

Place and date	Supervising professor's signature

**DOCTORAL STUDENT FILLS IN**

**Degree requirements and enrollment**

- I have completed the credits required by the curriculum.
- My credit plan (Sisu) has been confirmed.
- I have enrolled as an attending student at Aalto University for the ongoing academic term.

**Language revision**

- The language of the manuscript has been professionally revised by \_\_\_\_\_
- The language of the manuscript has been checked internally (e.g. within the research group)
- Other, please explain:

**Previous examinations**

- Neither the manuscript as a whole or any part of it has been previously submitted for pre-examination (or any type of scholarly evaluation for a degree) at Aalto or any other university.
- This manuscript or a part of it has been previously submitted for pre-examination (or other scholarly evaluation for a degree), as explained below or in an attachment.

**Proposed pre-examiners**

- I have no comments regarding the proposed pre-examiners.
- I have a concern regarding the proposed pre-examiners (e.g. concerning their impartiality) and I'm attaching my official written response for the Doctoral Programme Committee.

**Place and date**

**Signature**

Attach this application to your online request (on Webropol) for pre-examination.
