

## **Welcome to study in Master's Programme in Architecture, Landscape Architecture and Interior Architecture!**

We warmly welcome you to study Interior Architecture at Aalto University School of Art, Design and Architecture!

We are excited to start next academic year with our excellent group of new students. We want to offer you a high-quality learning environment, and a MA degree which gives you a valuable competitive edge in the job market, both in Finland and abroad.

The academic year begins with ARTS orientation on 28.8.–3.9.2023. During the orientation, you will learn about the practicalities and get to know the variety of study and leisure related opportunities you have as a student at Aalto University. You will also meet your new fellow students and staff of your own department who will guide you with planning your studies. Lectures will start on Monday 4th of September.

Expect more detailed information about starting your studies and the orientation schedule via email during the summer. You can see our programme pages here: <https://www.aalto.fi/en/programmes/masters-programme-in-interior-architecture>

Looking forward to meeting you this fall!

Sincerely,
