Admission to Aalto Bachelor’s Programme in Science and Technology

Annika Paananen
Aalto Admission Services
4 October 2023
Study options

- Chemical Engineering
- Computational Engineering
- Data Science
- Digital Systems and Design
- Quantum Technology

More information about the study options: https://www.aalto.fi/en/study-options
Application process

1. Read the application instructions and admission criteria at aalto.fi

2. If needed: book an SAT or ACT test.
   The deadline for test results is 24 January 2024 at 3pm.

3. Submit an application with the required documents at studyinfo.fi during the application period: 3 to 17 January 2024

4. If graduating in spring 2024, submit your academic documents by the given deadlines

5. Wait for the publication of results:
   Admission group I (certificate-based admission): by 31 May 2024
   Admission group II (SAT/ACT-based admission): by 30 April 2024
Eligibility to apply

All applicants must fulfill the general eligibility requirements for higher education.

You need to have completed, or to complete in the spring 2024, **an upper secondary education that gives access to university-level studies** in the country in question (e.g. a high school diploma).

The SAT/ACT is optional, if your qualification is:

- Finnish matriculation examination
- International Baccalaureate diploma,
- European Baccalaureate examination,
- Finnish DIA (Deutsches Internationales Abitur) diploma, or
- Finnish RP (Reifeprüfung) diploma

For other qualifications, it is compulsory.
Admission groups

Admission group I: admission based on grades (YO, IB, EB, Finnish DIA/RP)

Three subjects are scored:
- Mother tongue
- Advanced Mathematics
- Physics or Chemistry (whichever gives the better score)

Minimum requirement:
- Chemical Engineering, Computational Engineering, Data Science, Digital Systems and Design: Advanced Mathematics E
- Quantum Technology*: Advanced Mathematics L or Physics E  *only one of the requirements must be met, but all applicants are required to have a pass grade in advanced mathematics

Admission group II: admission based on the SAT or ACT test results

Minimum requirement:
- 1200 points (SAT) or 25 points (ACT) and
- Maths section minimum 650 points (SAT) or 28 points (ACT)

The SAT or the ACT test must be completed 1 Jan 2022 or later. Highest valid score considered.

The test results must be delivered to Aalto University directly by the test organiser. You must also attach a copy of your score report to the application form. The deadline for the test results is 24 January 2024 at 3pm.
