

# Master's programmes' portfolio renewal

Jouni Paltakari

24.5.2023

# Update on developments

## Since the previous 'Meet the Dean' event in March

- Decision on number of new programmes and their names
- Discussions on student intake numbers, admission criteria & academic evaluation criteria for 2024
- Creation of programme descriptions of new programmes for marketing purposes
- Work has started in clusters on provisional course structure for each programme

# Project aims for after summer

- **Design of:**
  - Course descriptions and ILO's;
  - Degree requirements and course selection;
  - Transition (routes) from old to new programmes;
  - Bachelor-Master transition routes
- **Combined Programme & Portfolio Review 18.8.: please join us to discuss both existing and new programme portfolios!**
