

Aalto University Electronic Publications

AGREEMENT ON ELECTRONIC PUBLISHING OF A PUBLICATION IN THE PUBLICATIONS ARCHIVE OF AALTO UNIVERSITY

Permission on open electronic publishing of full text

AUTHOR(S)

Name(s):

PUBLICATION

Title of publication:

NAME AND NUMBER OF SERIES (if applicable):

PUBLISHER: Aalto University, Business ID 2228357-4

The Author grants the Aalto University permission to make his or her Publication permanently available on an information network through the publication archive / institutional repository maintained by Aalto University. Aalto University has the right to convert the file format of the Publication, which may be necessary for example to ensure its usability. The Author will not be compensated for the electronic publication of his or her Publication.

The Author is responsible for ensuring that appropriate permissions are obtained for all copyright images, tables and other data included in the Publication for using the Publication in this manner.

The Author assures that he or she has not assigned his or her copyright on the Publication to a third party in such a way that prevents the use of the Publication in the manner described in this agreement. This agreement does not affect the Author's moral rights, which remain with the Author. Notwithstanding this Agreement, the Author also has the right to publish his or her Publication elsewhere in both printed and electronic format. Aalto University reserves the right to remove the Publication from the publication archive / institutional repository without separately notifying the Author.

I grant the permission on behalf of all the Authors to make the full text of the Publication permanently available on an open information network

I do not grant permission to make the full text of my Publication permanently available on an open information network

I want the full text of my Publication to be withdrawn from the Aalto University publication archive and from the Aalto Current Research Information System
